SAY

I do

"We were able to tailor the weekend to be exactly what we wanted it to be, and then the sun came out and made it magical! We always planned on having an outdoor wedding and Carrick Castle Estate made that happen."

Claire and Paul

"The space itself is just absolutely gorgeous and all of our friends and family were in awe at the incredible scenery. We could not recommend this venue highly enough!"

Laura and Sam

Rebecca and Jay

"Hannah and Darius worked hard to make our whole weekend special and were always there when we needed them, but also left us to it and didn't impose. We even got surprise alpaca's at our wedding! We couldn't have asked for more!"

"The venue is set in the most stunning location and we were lucky enough to have the sunshine come out for the day. We said our vows overlooking the loch with our family and friends watching on. I would 100% recommend this venue to anyone looking for a beautiful, rustic location for their wedding. We wish we could do it all over again!"
